Dear Dr. Wilson:

During the Kentucky Board of Nursing Board Meeting held April 24, 2025, the Board reviewed the following final 2024 benchmark results for the Beckfield College, Florence, Kentucky, ASN program of nursing:

NCLEX Pass Rates

Benchmark: Greater than or equal to an average of 80% for three consecutive years and does not vary above and below 80% from year to year over the previous five years.

	2020	2021	2022	2023	2024	3-Year Average
Pass Rate	77.2%	68.0%	72.6%	93.3%	93.1%	84.2%
Tested Passed	114 88	75 51	102 74	60 56	72 67	234 197

Pass rate calculations are based on only those candidates that meet **all** of the following criteria:

- a) Completed the NCLEX as a first-time writer;
- b) Tested between January 1, 2024 and December 31, 2024; and
- c) Tested within one year of program completion.

Aggregate data for the 2024 NCLEX pass rate includes **all** candidates that meet all criteria **regardless** of the state in which the application was made for initial licensure. Percentage is determined by dividing the total number of program candidates that passed the exam by the total number of candidates that tested. The number of actual graduates does not factor in the equation.

Program Administrator Turnover

Benchmark: Fewer than four individuals in five years.

	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024
Turnover	0	0	0	1	1

Faculty Turnover

Benchmark: Less than or equal to 30% for two consecutive years.

	2022-2023	2023-2024
Faculty Turnover	0%	0%

Graduation Rate

Benchmark: Greater than or equal to 60% of the original admitted cohort of newly-enrolled students that graduated within the standard length of the program of nursing, excluding students who have left the program of nursing due to documented extenuating circumstances.

2023-2024 Graduation Rate: 32.1%

Because the Beckfield College, Florence, Kentucky, ASN program of nursing's graduation rate is below 60%, this benchmark has not been met.

Nursing Faculty Grievances

Benchmark: Substantiation of less than 25% of the total number of nursing faculty grievances and appeals filed.

2023-2024 Nursing Faculty Grievances: 0%

Student Grievances

Benchmark: Substantiation of nursing student grievances and appeals less than or equal to 10% of the total nursing student population.

2023-2024 Student Grievances: 0%

After reviewing the above benchmark information, the Board directed that the Beckfield College, Florence, Kentucky, ASN program of nursing be continued on Approved status. However, a Benchmark Analysis and Action Plan must be completed for any above-listed benchmarks that have not been met. The Benchmark Analysis and Action Plan may be included in your Systematic Plan of Evaluation (SPE). As a reminder, any required Benchmark Analysis and Action Plan, as well as the program's SPE, must be uploaded to EDvera no later than December 31st each year.

Should you have any questions regarding this correspondence, or should you need further assistance, please do not hesitate to contact Board Education staff via email at KBN.Education@ky.gov.
