CRRSAA Student Funding Allocation

All students in a school status of Active as of *Spring* term, that have been determined eligible for the CRRSAA Grant, have been sent a Beckfield College CRRSAA Grant Form to complete electronically.

This process of identifying eligible students that are in a school status of Active will be repeated during the *Summer* term and subsequent terms if there are any remaining funds; the students will need to apply for the funds every disbursement period; these additional students will also be sent the Beckfield CRRSAA Grant Form to complete.

The form provides information about the CRRSAA financial grant, and provides options for the student to select including assistance with tuition. We have also requested any updated contact information to be used to mail payments. The form requires the student's signature and attestation that the information provided is correct, and that they understand the purpose for the CRRSAA grant funds. If the student wishes to have funds applied directly to their tuition account, an additional form (found below) is also requested to confirm student choice.

Once the completed form has been received, students are awarded a total based on the CRRSAA Award Chart Tier. All students who are considered cash pay will be reviewed and awarded utilizing the 4th EFC tier in the CRRSAA Award Chart. Students that withdraw or graduate from school will not receive payment(s) from the CRRSAA grant. We will continue this process until all funds have been fully disbursed.
